Ref: - CSPADT--1222-386

To,

All Shipping Lines & Agents and all Terminal Users

SUBJECT: Implementation of Door direction change at charges at CSP Abu Dhabi Terminal

Dear Valued Customers,

Greetings from CSP Abu Dhabi Terminal.

CSP Abu Dhabi Terminal would like to thank our valued customers for their continued support.

With reference to CSPADT Notice to trade - CSPADT-0922-369 dated September 29, 2022- on the CSP Abu Dhabi terminal's Published Tariff 2022, please be advised that the applicable new tariff item, *118.1.Y - Use of Fixed Crane for Door direction change (Full / Empty containers delivery from the Terminal) / Per Container*, will be charged to the respective shipping lines / Box operators for the applicable units in Import full delivery and empty delivery. Hence, we urge shipping lines/box operators to ensure that all the import containers "doors face the aft of the ship" according to the standard operating procedure followed globally. However, CSP ADT will accept and load export and transshipment containers onto the vessel in the same manner that we receive the same at our terminal.

CSP Abu Dhabi Terminal remains committed to providing a highly reliable, effective, and sustainable business platform to its customers and other stakeholders.

Should you require further clarification and assistance, please feel free to contact our customer service department at following
