

ALTERNATE CARGO ROUTING SOLUTION TO GCC VIA CSP ABU DHABI TERMINAL

SEA | ROAD | RAIL Seamless Integration

CSP Abu Dhabi Terminal (CSP ADT) is providing an integrated transshipment corridor to Upper Gulf Countries (Kuwait, Qatar, Bahrain, Iraq and Saudi Arabia) in coordination with AD Ports. All transshipment containers may be discharged at Khor Fakkan Port or Fujairah Terminals under this arrangement and transported by road or rail to the CSP Abu Dhabi terminal under customs bonded as transit, connecting from CSP ADT to the destination via dedicated feeder services.
